Our letter of 9th May 1903 to the Residency concerning the mail dacoity near Lakkavalli.

The present report of the I.G. of Police does not refer specially to this case, but to the prisoners concerned in the entire series of dacoities that occurred in the Shimoga & Kadur districts, — a matter on which I do not think we are required to make a report, or on part of the Resident I think the I.G. may be asked to make a separate report (and continuation of his letter No. 6090 8/23-4-03) in regard to the escape of prisoners, if any, concerned in the mail dacoity case and, when received, may be communicated to the Resident
